Democracy Federal Credit Union Brings Fun and Community Spirit to Boo Fest 2024 at Charles Houston Recreation Center

Alexandria, VA – Democracy Federal Credit Union proudly partnered with the Charles Houston Recreation Center to bring Halloween joy and community connection to Boo Fest 2024 on Friday, October 25. Families from the Alexandria area came together to enjoy a variety of indoor activities, including moon bounces, face painting, and delicious food. Outside, Democracy Federal Credit Union energized the event with their "Trunk or Treat" station, featuring the Democracy Bus, giveaways, candy, and music by DJ Miles, along with other community volunteers.

Democracy Federal Credit Union's presence at Boo Fest was more than just a celebration; it highlighted their commitment to supporting local families and fostering meaningful relationships within the community. This event provided children and parents with a safe, fun-filled Halloween experience and an opportunity to engage with Democracy FCU.

"Our involvement in Boo Fest underscores our commitment to being an active part of this community," said Kenyahda Cahoon, CEO of Democracy Federal Credit Union. "We believe it is our social responsibility to show up for the families and individuals who make this community special. Growing together means going beyond the business of banking, and events like Boo Fest allow us to do just that—share smiles, provide joy, and build trust."

As one of the area's leading advocates for accessible and supportive financial services, Democracy Federal Credit Union continues to invest in community initiatives that promote engagement, trust, and mutual growth. The credit union is dedicated to serving as a beacon for financial empowerment while contributing to the social and cultural richness of the communities they serve. Boo Fest 2024 reinforced Democracy FCU's core mission of being a trusted partner for their members.
