## **Democracy FCU Supports McNamara HS Millionaire's Club**

**Alexandria, VA**— For the second year, Democracy Federal Credit Union proudly supports the sponsorship of the Bishop McNamara High School Millionaire's Club in Forestville, MD. The Millionaire's Club was created by the CU Foundation MD|DC to help credit unions support financial education in their communities. It is designed to help students reach financial independence starting at a young age. Clubs combine personal finance skills training with investment simulations, entrepreneurial projects, and competitions delivered in a club-like setting.

Bishop McNamara's Millionaire's Club is led by their coach, Mr. Keith Veney. Mr. Veney teaches the students how to manage their personal finances to grow their money in a fun and meaningful way. And, this just happens to also be what Democracy FCU is all about, continuously providing financial education to our local community. Students of the Millionaire's Club elect their own leaders and actively participate in programs including any entrepreneurial project that allows them to put into practice their newfound skills and generate funds to allow the Club to become financially self-sufficient.

At Democracy FCU, we're all about helping our members, and the community, build financial freedom. Providing financial education and resources to the youth will help inform them of the many financial opportunities that await them. We invite you to visit any of our branches to become a member, and to learn more about our commitment to financial success.
